

What are you doing this summer?

York City Day Camp is a 4-week day camp for children from all backgrounds in York City entering grades 1-6. The vision of the Christian-based camp program is to share Jesus with children from York City while providing them with a structured and nurturing environment for 8 hours each weekday. The goals of the day camp are to develop a Christian community among the campers, to experience weekly field trips to community parks and public places for recreation and to learn life & leadership skills that will serve them throughout their lives. York City Day Camp is incorporated and is its own 501 © (3) non-profit corporation through its affiliation with the United Methodist Church. It is governed by an independent board of directors representing local churches, the community and parents of campers.
